Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/290/25/HH
Site Address: 9 Tinghall Aldwick PO21 3RJ
Description of works: Proposed double storey extension.

Thank you for your internet representation made on 12th January 2026 which has been recorded as an objection with the comments as follows:

OWPC80844

With regards to the planning Application for 9 Tinghall I would like to register my objection due to the following :-

1. Parking in Tinghall is extremely congested now and a larger house and more cars would make it impossible for residents who already live here.
2. There is no access to build an extension of the size that is shown on the planning application without going over communal area and rear access is only a narrow path.
3. There is a water ditch to the side of the property which takes excess rain fall the build would take it very close to the ditch.
4. The planning would change the whole look of the block of the four houses

Your views as made above will be considered before the application is determined.
