Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/290/25/HH
Site Address: 9 Tinghall Aldwick PO21 3RJ
Description of works: Proposed double storey extension.

Thank you for your internet representation made on 12th January 2026 which has been recorded as an objection with the comments as follows:

OWPC80847

I wish to object on the following grounds:

1. Parking provision.

At present each existing property in this cul de sac has one garage plus parking for 1 visitor.

As the garages are too small for most modern cars the street parking is used and there is rarely any free space particularly as a number of residents have more than one car.

2. The area in front of No 9 consists of a single footpath giving access to the adjoining properties plus foot access for the public to cross the bridge adjoining No.9 to enter the Aldwick Green and woods.

3. No 9 faces a semicircular green {maintained by the residents} and it is impossible for construction workers to gain vehicular access to the site and indeed to stack building materials during construction within the boundaries of the site (No.9) and which will cause extreme problems not only for all facing the green but also vehicular problems in the cul de sac itself.

Your views as made above will be considered before the application is determined.
