Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: AW/290/25/HH
Site Address: 9 Tinghall Aldwick PO21 3RJ
Description of works: Proposed double storey extension.

Thank you for your internet representation made on 20th January 2026 which has been recorded as an objection with the comments as follows:

OWPC80990

I have already submitted comments re this application however I omitted to comment on the difficulties of delivering materials to the site

The property is at the end of a terrace of houses with no vehicular access

There is only a small footpath adjoining a private greenswade

All materials, which will be considerable as it is equivalent of building a complete house, would need to be delivered kerb side and manually taken along the footpath to the site

There is limited parking in this cul de sac and this along with transporting the materials and removing waste from digging foundations, dismantling existing buildings shed conservatory greenhouse etc. will cause major disruption and inconvenience to existing residents

I would therefore ask that you consider the major problems that building this extension would cause

Your views as made above will be considered before the application is determined.
