Dear Mr Moore,

I have received no objections to the proposed scheme and I am recommending approval. The decision is due by 29 March.

Regards,

Dear Ms Rawlins,

I have looked at the website for the above application and notice that the dates for the determination draw near. I am pleased to see that the Parish Council have raised no objection to the revised design and wondered if you had any feedback as to the progress of the application – both in terms of times involved and the likely recommendation?

I would be grateful if you could contact me and also let me know if there is any further information you may require.
