

Condition 4 Plan – planning application ref AW/129/12

Soft landscaping shall be planted along the whole length of the inside of the fence. The plants will be a mixture of Passion Flower, Virginia Creeper and the current wild ivy which is hoped, over time will grow to be visible from both sides of the fence giving an attractive display of foliage and colour throughout the year.

Our existing fence shown with wild ivy vegetation and current concrete posts etc

Examples of proposed vegetation shown below to be added to soften the proposed fencing

Virginia Creeper

Passion Flower
