Dear Mrs Johnson

Thank you for your email.

1. I have amended the Block Plan drawing no. 201, now 201A. i have shaded the new areas and added dimensions to boundaries.
2. I have added the door into the back of the garage and the window and door at the side of the Kitchen and Larder and now enclose amended drawing no. 101A.
3. I am happy with the description that you propose but would observe that the rear elevation has one long dormer with 4 no. windows in it.

I look forward to seeing the registration of our application.

Kind Regards

Alan MacLean RIBA
Chartered Architect

Mr MacLean,

I have been forwarded an email with the existing floor plans and elevations. I do apologise that they had not caught up with me before I looked at the application.

After looking at the plans again, I have found a couple of amendments that need to be made:

1. On the proposed block plan, please clearly highlight all proposed works and provide measurements from the proposals to the site boundaries.
2. The existing rear and side floor plans at ground floor do not accord with the elevations.
3. I would suggest the amended description to the application: 'Remodelling of roof to form 4 No. dormers to rear elevation, 2 No. dormers to front elevation and 1 No. dormer to side elevation, front and side extensions'. Please confirm that the amended description is satisfactory.

If you have any questions, please let me know.

Thank you,
Mrs Johnson
