

Arun District Council

Maltravers Road

Littlehampton

07 November 2017

Dear Sir

Ref: AW/296/17/HH

We being the owners of 27 Willowhale Avenue object to the above planning application

AW/296/17/HH on the following issues:-

1. The 2 storey extension to the front of the property projects out to far approximately 5.70 metre from existing garage which already projects 3.10metre front building line and will block out the light to my front lounge room.
2. The side extension will also restrict the light to my south facing bedroom as well as my conservatory.
3. The rear facing dormer is too large and contains 4 dormer windows and runs the whole length of the back of the roof.
4. Generally the whole scheme is too large with 4 dormers on the front of the building and not in keeping with the other properties in Willowhale Avenue.

I sincerely hope Arun District Council will reject this application.

Yours faithfully

Mr P Bignell

27 Willowhale Avenue
