**Town & Country Planning (Development Management Procedure) (England) Order 2015**

Application No: AW/299/24/HH  
Site Address: 8 Cherry Close Aldwick PO21 3BA  
Description of works: Demolition of the existing porch and detached garage. New rear/side flat roof extension, front porch extension. Conversion of the first floor roof space with new front and rear dormers. Installation of 2 x side windows.

Thank you for your internet representation made on 14th January 2025 which has been recorded as an objection with the comments as follows:

OWPC73574

Overdevelopment of plot to detriment of the character of the established Close creating increased precedent for future extensions within the Close which will eventually lead to a character of large properties destroying the oasis of retirement properties and lead to the imbalance stock of property types in the locality and at large.

The major increase in loss of permeable ground cover by building works leads to Increase in flood risk in the event of flooding.

R J Ketley.
