Subject: AW/303/18/TC

Dear Mr Vick

Thanks very much for your swift response to my inquiry concerning publication of the above on the website and in the press.

I can only reiterate that these Lists are viewed by Mr Ostler and myself as they appear. Today, I have noted again all the other Applications from the lists from the 15th November to the most recent of the 13th December and neither Mr Ostler nor myself saw AW/303/18/TC previously.

Today I note it's presence in the List of 13th December under '**Decisions taken the Previous Week**' to which I assume you refer to in your reply to my inquiry.

Please will you advise when it was first published both on line and in the Press and let me have a copy for my files of that entry if it exists, for I cannot find any trace of it on line. As it was received by Arun DC on the 21st Oct, I would have expected to see it on a list shortly after that date, as some of those Applications only a couple of days later upon their receipt, are contained in the list of the 15th November.

This arrangement of inspecting documents is very important to us, as to the general public, where we wish to make representations to the District in time for an Officer's Decision by delegated powers.

I also note with interest that around the time period we are searching, several Applications had to be re-published due to previous mistakes and I wonder if this one got caught up in those re-publications.

Yours sincerely.

Ian Jefferies.
