Dear Sirs

Application for tree works at 8 Apple Grove, PO21 4NB

Please find enclosed my application to request permission to remove approximately 4 metres from the lowest branch and remove the dead wood of a Monterey Pine Tree near the rear boundary of the above property.

Our tree surgeon believes the tree is around 40 years old.

We have just purchased this property and our Solicitor referred us to Tree Preservation Order No. 2. The only reference to Apple Grove that I can find is "the several trees of whatever species standing in the road side belt numbered A.23 on the map". So we don't think that our tree is covered by this but believe we should check with you and ask for permission to do the work.

I have shown the tree on the Land Registry plan and am also enclosing a photograph.

So, I hope I have provided enough information for you to assess the application.

Yours faithfully
