Bryan,

In reference to the above application we have had now had the opportunity to assess the proposal and although we are looking to permit the application, with the holiday season upon us we would like to request an extension to the time until the early part of January 2019 to enable us to get up to speed with issuing these decisions.

With this in mind would you be aggregable to an extension of Time until 4th January 2019?

Your written response would be most appreciated.

Please let me take this opportunity to wish you a very Merry Christmas.

Kind regards
