Dear Mr Hamilton,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: I want to resurface the driveway of my property due to its poor condition due to broken and diesel stained areas.
The intention is to replace the original tarmac with a Permeable Tarmacadam Wearing Course that complies with the "SUDS" Regulations.
Additionally I would like to install an additional soakaway to aid poor drainage around the inside bend of the driveway and replace the cement edging blocks with Granite Setts. As indicated on the 11 The Drive Driveway Layout pdf.
