Dear Mark,

Many thanks for the EOT.

Yes, it was disappointing to not hear from the Conservation Officer.

I have sent an email to the conservation officer (who works two days a week) asking for further comments to be made as priority.

Hi Richard

As you can imagine, we're very disappointed not to have a decision after agreeing to a three week extension leading up to today.

I do not have access this afternoon to a printer in order to print, sign and scan back my agreement to a further extension, so am notifying you by email that I do agree to this extension.

I would however, like to be assured that a decision will be communicated as soon as it is reached during the week next week, please.

I will sign the letter and email a scan of formal agreement back to you over the weekend.

Regards

Mark
