>> The second extension requested by Arun on our listed building consent case expired last Friday, 19th January. On checking the portal today, our case still sits at 'Undecided'.

>> I note that no further extension has been requested and while I agreed to the two extensions in good faith, I'm now confused about the process.

>> Having agreed to two extensions, with timelines requested by Arun, I would now respectfully ask for a decision, consistent with the conservation officer's recommendation, be communicated urgently.
