Hello Chris

I have forwarded to Amber Willard the case officer as I am not sure whether she will require it to be advertised. If she is OK with It I will amend.

Nicola

Hi Nicola,

For the recently submitted planning application reference AW/309/21/HH, do you think that we could amend the description?

It currently reads;-

Erection of single storey side extension, front porch extension, installation of 2 x juliet balconies, alterations to fenestration and new front access gate following the demolition of existing conservatory (This application may affect the character and appearance of the Craigwell House, Aldwick Conservation Area)

Mt client is worried that it gives the wrong impression with the replacement sun rom extension and I think that she has a point, do you think it could read;-

Erection of replacement single storey side extension following the demolition of existing conservatory, new front porch extension, installation of 2 x Juliet balconies, alterations to fenestration and new front access gate (This application may affect the character and appearance of the Craigwell House, Aldwick Conservation Area).

Thanks Nicola, I hope that all is well your way – still crazy here!

Kind regards,

Chris Moore
