Dear Sirs

Your Ref: ENF/350/14 - 230 Manor Way, Aldwick

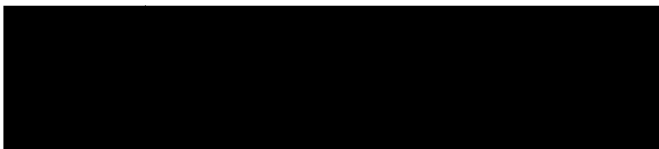

I refer to your letter 28 October 2014. I sincerely apologise for my omission in not applying for planning permission but it did not occur to me that it would be required.

In the circumstances please find attached the following documentation:-

- 1) Completed Householders Application for Planning Permission
- 2) Site Plan
- 3) Block Plan and Location Plan
- 4) Before and after photos of the premises

I trust this is all the documentation required but if you need any further details or information please do not hesitate to contact me.

Yours faithfully

Jack Glee
