Subject: Further CHECAA Objection to AW/312/14/HH - extensions at 37 Kingsway.
Importance: High

Dear Sir

Further to our letter of objection submitted earlier today, we write, for avoidance of all doubt, to summarise the case of South Lakeland DC. Please attach.

Preserving by not harming the character of a conservation area was the test approved by the House of Lords in South Lakeland DC –v- SSE in 1991.

This was reinforced and re-stated in the case of the Queen –v- Sevenoaks DC and others in June 2014 before Mr. Justice Lindblom in June, 2014.

Yours faithfully,

Richard Ostler, Chairman, CHECAA.
