Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Tree Preservation) (England) Regulations 2012

Application No: AW/316/21/T
Site Address: Stratton 9 Kingsway Aldwick PO21 4DQ
Description of works: Fell and remove 2 No. Field Maple trees and 1 No. Oak tree.

Thank you for your internet representation made on 13th October 2021 which has been recorded as an objection with the comments as follows:

OWQC41208

Members strongly objected to the application on the grounds that a full examination of possible remedial solutions (given that the trees are sited in a ditch) should be made by the Arun Arboriculturist before any felling is done, in particular in relation to the oak which is an iconic tree taking many years to mature and because the trees have an amenity value. Members recommended that should felling be decided upon after careful examination, similar mature trees should be planted in a suitable place as close as possible to their original site.

Your views as made above will be considered before the application is determined.
