Subject: RE: Former Ship Inn - AW/318/20/DOC & AW/319/20/DOC

Hi Simon,

I note that you are applying the below EoT request to both applications. Regarding the first application, would you not be able to resolve this before Christmas, especially as you have already received comments regarding the water course fencing, also, the application regarding signage is already approved, and your previous comments from highways have advised that no further information is required. For what reason therefore do you require an EoT?

Regarding the application relating to the s.278, I do understand this request, and can agree to a small extension.

Please call me on my below mobile number, should you wish to discuss this further.

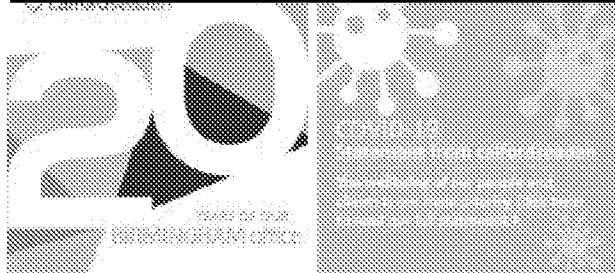

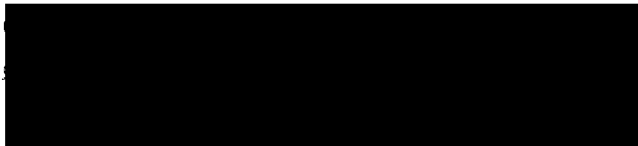

Thanks and regards,

Pierre Langlois BSc(Hons) MRICS

Dear Pierre,

I note that these applications are currently set to expire on the 31st December. As this falls over Christmas, I write to ask, whether you would be agreeable to a small 2 week Extension of Time for both applications until the 14th January 2021?

Kind Regards
