

ARUN DISTRICT COUNCIL
ADC PARKS & GREENSPACE ARBORICULTURE CONSULTATION

Date: 5th March 2012

FROM: Ian Brewster TO: Janice Chapman

PLANNING APPLICATION Ref: AW/31/12/T

BRIEF DESCRIPTION: 5 Merton Close Aldwick PO21 5SQ

INSPECTION DATE: 9th March 2012

RECOMMENDATION:

Advice ☐ Informative ☐ Conditions ☐

Objection ☐ No Objection ☒ More Information required ☐

Tree Replacement ☐ Dead/Dangerous ☐ Minor / Perpetual work ☐

Inappropriate species ☐ TC Good Amenity ☐ Abate a Nuisance ☐

Comments:

The Pine tree is young and asymmetric with the majority of the crown growing low and over the highway and is not considered appropriate for retention. The Beech is a multi stemmed tree at 1.2m and a crown reduction of 1.8m as suggested would be appropriate and not adversely affect its health or appearance.

Conclusion:

I inspected the two trees today and found the work proposal acceptable.

Ian Brewster
Arboriculturist
