Simon,

Bernie has not been in the office today and will not have had an opportunity to review. The property has not been subject of a new TPO under the 1958 Order review which is near complete -- this together with the fact that they are not old enough to be subject of the of the 1958 order I suggest no permission would be needed -- therefore I would agree that this should be approved.

Regards, Joe

Dear Bernie,

I'm just writing to let you know that I am going to put through this application for approval tomorrow unless I hear differently from you before then. Personally, I don't feel that the three trees subject of the pruning works are old enough to have been part of the 1958 Order.

Kind Regards
