Dear Nicola

Simon Visited our property at the weekend to finalise the measurements and pictures for his plans

he hopes to have these ready in the next week or so for me to review

will update you as soon as I have more info - as suspected the extension into December is needed so
thanks again for your patience

best regards
Neil Prior

Hi Nicola

thanks for the conversation today and advising that we can extend the 30/11 planning submission deadline
as long as you continue to be made aware of the progress.

I have commissioned Simon Broderick today to provide the required drawings and Plans

will be in touch as soon as I have more information on timelines

best regards
