Dear Mr James,

You application above for works at 7 Follet Close has received comments from our tree officer. Currently the work which you have proposed is for refusal.

However, our tree officer has outlined a proposal of T95, T96, T97 & T98 for Crown lift (removal/reduction of low branches) to achieve no more than 3metres overhead clearance on all aspects. T95 & T98 only reduce top-height only to leave a minimum of 12metres above ground level.

If you agree to this revised proposal your application would be approved subject to conditions.

If you agree to the above proposal please can you email me back to confirm this by 22/12/20 otherwise your application will be refused.

Many thanks

Zoe Toppin
