Form

Please confirm in writing your acceptance of the amended description.

Single storey side extension and extension to existing garage

Block Plan: You are required to include a dimension from the garage to all site boundaries.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>  
If you are unable to access the website, please contact this office so a copy can be sent to you.

Yours sincerely
