ARUN DISTRICT COUNCIL

22 JAN 2014

RECEIVED

16/1/14

Dear Mr Davis

Re Planning Application No. A.W. 336-13

I am not in support of this planning application, as I use the Russell Hotel, mainly for swimming, due to the fact that my Surgery has recommended it, as I have diabetes.

A lot of the Doctors and Hospitals recommend this place as it is an exercise pool, and is ideal for any therapy due to ill health and ageing problems, and of course, the Blind people themselves.

The place has a very happy atmosphere and the staff are always polite.

So not only is it going to be sad to see it go to the disabled people, that already have accomodation nearby. It will be wrong to change a venue that is up and running for blind.

Why can't Ashley House be repaired or knocked down and rebuilt, why do they have to take another disability company and ruin there pleasures?

Therefore I am apposing this planning permission.

I will not be able to attend the meeting on 20th January at the Willoughale Council Offices, Reason I am away.

Yours truly

(MRS J. HUNTLEY)
