Dear Sir,

PLANNING APPLICATION NO AW336-13

I am writing with regard to the above in which I totally disagree. The Russell Hotel has been a great place for the blend for as long as I have lived in Bognor Regis and longest. It will be a real shame for them to lose the place they have coming to.

Regeneration keeps being mentioned - how can a lovely hotel be lost for yet another care home, especially as it is in a good area.

Yours faithfully
