RECEIVED

Dear Susan,
Objection to proposal AW/336/13 for
a change of use of Russell Hotel
to a carees home, how this can
come about with the loss of jobs
for so many loyal staff when the
hotel is very well booked & averages
70% capacity is beggars belief. Also the
loss of the swimming pool to the
general public would be detrimental
to the citizens of local parishes who
use it.

This pool is used by many older
people not only to swim & keep fit
but those who need general health
improvement to gain physical fitness
many sent by their own doctors.

The very design of the pool
enables blind & partially sighted to
use it safely with only one depth

of water, we do trust this will
be given the greatest consideration
before any decision is taken, the
people of Bognor Regis & district
need some help.

Jones Sincerely

Copy of this letter sent to

Dear Mr Davis,

Enclosed is a letter sent
to Susan Batey, clerk to the parish
Council at Aldwick, Bognor Regis.
re the proposed AW/336/13 change of
use of the Russell Hotel, I trust it
is self explanatory & is a view
shared by very many people who
would need the facility of
a swimming pool to continue.

Yours Sincerely.
