Dear Sir,

I am writing to you regarding the closure of the Russel Hotel, I'm sure by now you have had many letters.

Five years ago recovering from surgery and have had my few weeks in the hospital pool in Bosner Regis they recommended I tryed the Russel Hotel, which I may add I had to wait a little time for to book my days. I know for ~~sure~~ I would not be walking as well had it not been for the help and use of the pool ground staff.

I speak to many blind and visually impaired people who travel year after year from the South East and coast area who say they shall be lost without the Russel Hotel

I find this had been a done deal between Action for the Blind & Liability and has never been on the open market. Especially as Ashley house intend to use only 14 rooms & close the rest of the hotel, what a sad waste. Yet another hotel closing the area needs hotels here not only Butkus

Yours sincerely
