Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Installation of various signage
The Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 17th December 2019 which has been recorded as '**support**' with the comments as follows:

I write in support of this application and compliment Innovate Signs for their splendid design of the livery of One Stop Stores which is much classier than that of the previous tenant My Local. Nobody could possibly object to this. However I am not sure about the picture windows containing images of chickens, fruit and vegetables. In order to convey a classier image, I think the picture windows should display images of important local residents who have worked tirelessly for this building to reopen as a One Stop Store, namely Messrs Roger Beam and Terry Mullings amongst others. These fine gentlemen deserve to be recognised for their contribution to the success of One Stop's project. Local residents need to be reminded of their contribution. Otherwise I can think of nothing which could improve upon the proposed signage. Please approve this application.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
