Subject: Re AW/337/19/A Installation of various signage, The Ship Inn, Aldwick Sreet.

Kind attention of Amber Willard.

I would register my objection to the installation of various highly inappropriate garish signs at The Ship Inn.

This is a Building of Special Character, much loved by the local residents and in addition the adjacent cottages and wall are Grade 2 listed.

This signage detracts from the village atmosphere of Aldwick surrounding The Ship Inn and is most undesirable.

This planning application should be rejected outright.

Yours Sincerely,

Colin Martin.
