Subject: Reference AW/337/19/A Installation of various signage, The Ship Inn, Aldwick Street., Bognor Regis

We are writing to submit our very strong objection to the application by One Shops signage proposals for the Ship Inn in Aldwick, Bognor Regis. The proposal for the signs is completely out of keeping with the special character of the area. The signs are much too big and bright and can only distract from the special character of the Grade 2 listed building and adjacent area. Once again, we have a proposal that no one in the local community wants or will support. The Ship Inn has been a part of the local community for more than 50 years and should be returned to a community asset for the benefit of the residents.

Yours Sincerely

David & Margaret Denley

Residents of Aldwick, Craigweil Bognor Regis
