Subject: Objection AW/337/19/A

Attn. Amber Willard
Reference **AW/337/19/A** installation of various signage,
The Ship Inn, Aldwick Street.

I object to the proposed store signage in that it is certainly too bright and inappropriate for a building of special character.

One Stop Stores seem to be driven by commercial suicide in their obsession to convert The Ship Inn, Aldwick to yet another (probably) failed convenience store on this site.

Brightly coloured signage is for the high street not village centres.

This application shows a lack of respect and understanding of local feeling and will not serve One Stop Stores well.

Yours sincerely
