Subject: Objection to AW/337/19/A

Attn. Amber Willard
Reference **AW/337/19/A** installation of various signage,
The Ship Inn, Aldwick Street.

I object to the proposed store signage in that it is certainly too bright and too gaudy for an area and building of unique and special character.

One Stop Stores seem to be driven by commercial suicide in their obsession to convert The Ship Inn, Aldwick to yet another convenience store.

In today's world most areas and businesses do all they can to preserve a village atmosphere where it exists by employing low key advertising.

Gaudy and brightly coloured signage will do nothing but degrade the area.
Brightly coloured signage is for the high street not village centres.

On top of One Stops total disregard for local and through traffic this application shows a lack of respect and understanding of local feeling and will not serve them well.

Yours sincerely
