Subject: Planning application AW/337/19/A

Dear Ms Willard ,

I wish .to object to the above application.

This proposal will greatly impact the ambience of this area which is a quiet residential street with a few village shops close to an open area of public green place. This gaudy lighting and advertising hoardings are out of character with this building which has been spoiled by the previous attempt to convert a village pub into an unwanted and unneeded mini supermarket. I would prefer the return of the premises to it's original use but if that is not possible then at least ensure the building retains it's character is keeping with the existing street
