Subject: One Stop Store's plans reference AW/337/19/A

The One Stop application to put their signs on the former Ship Inn pub building and in the car park. This is completely out of keeping with the area and especially on a building officially deemed of "special character" and a further degrading of Aldwick as an urban village environment and should be stopped.

Also, I maintain that the Road Safety Audit to assess the hazards and dangers of unloading large lorries in Aldwick Street must show that this plan is obviously dangerous.
