Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Installation of various signage.
The Ship Inn Aldwick Street Aldwick

Thank you for your internet representation made on 29th January 2020 which has been recorded as '**an objection**' with the comments as follows:

Whilst one can, sadly, have no say in the cheap and gaudy OneStop branding I should like to express my objection to the proposed signage and lighting of the former Ship Inn, Aldwick St, by OneStop.

The sheer scale is staggering and utterly out of place; detrimentally impacting both the immediate street scene, and extending beyond that, the local area as a whole.

OneStop appear to wish to turn the building, one designated as of special character, into a gargantuan advertising hoarding; this must not be allowed to happen.

Though I can not immediately see the proposed lighting schedule I imagine the garish signs will remain lit throughout the night, as was the case with the previous tenants, adding further to the light pollution suffered currently.

I write this objection from the prospective of a resident with direct views of the site, and as such, hope they will be given the appropriate consideration.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal

information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
