Subject: The Ship Inn

Sir, I would like to register my strong objection to the proposal to 'decorate' OUR locality with gaudy and unwanted signs. The people who design these signs do not have to live them and they have no thought for those who do. We

the people who live around the area do not want a shop on this site, as proven by the two recent failures, we do not want bad taste displays (see other one stop shops) and we do not the potential chaos that goes with the operation of such a store. Regards Michael Buzzard (LOCAL resident).
