Subject: AW/337/19/A Installation of various signage, The Ship Inn, Aldwick Street

Dear Ms Willard,

I am writing with regard to the signage application for the proposed One Stop premises on the site of the Ship Inn, Aldwick Street.

Currently residents and visitors to Aldwick are welcomed by seafront signage, inviting them to enter the village of Aldwick, with its attractive street scene.

There are listed properties and legacies of the old Aldwick with the original entrance to Dark Lane and thereafter a traditional parade of shops.

Introducing a garish bright red illuminated sign in the middle of this area is completely obtrusive and inappropriate and will do much to damage its ambiance and traditional nature.

I would like to register my strong objections to this signage.

Kind regards.

Alison Terry
