FAO Amber Willard

Good Afternoon,

I feel I must write to object to the "proposed" One Stop signage application to blight the exterior of the Ship Inn at Aldwick.

This shows a complete disregard and in a sense a vandalization of a Grade 11 listed building and totally inappropriate for the area.

I have previously written voicing my objection to the siting of a supermarket in such a position which would cause a hazard to road safety.

The whole idea of large vehicles parking outside the store for delivery purposes in such a narrow and busy thoroughfare, would seem only a benefit to motor insurance loss adjusters!
Thank you for your time,

Bruce Friend
