I should like to add my name to those you have surely already received regarding the proposal for The Ship Inn in Aldwick. I am strongly against the whole idea of having yet another mini-supermarket in this

location, particularly as the last two shops closed through lack of support from local residents. However, with regard to the current inappropriate signage proposal I strongly disagree. Changing the frontage of The Ship will change the character of the area and will clash with the parade of shops opposite. The lighting proposals are inadequate for a narrow, twisty street and will add to what is already a dangerous stretch of road. Please do not pass this whole application.
