Subject: OBJECTION TO PLANNING APPLICATION AW/337/19A - OBJECTION TO ONE STOP STORE APPLICATION FOR SIGNAGE ON THE SHIP INN SITE

Dear Amber,

My husband and I are local Aldwick residents who object to the empty Ship Inn becoming a One Stop Store.

We recently attended a planning meeting where One Stop's application to increase the number of deliveries was rejected.

Aldwick is a Village with close access to the sea. It is not a town or a city.

Therefore, we totally reject the above planning application because it is obtrusively bright and lurid in nature and not in keeping with the local surroundings.

In addition, the proposed panels covering the bay windows are truly awful. Once again this is a small village, not a metropolis.

With regard to the proposed lighting, One Stop are selfish in that they do not care that they will be causing night time pollution to the surrounding areas, with the potential of the lighting never being turned off.

We are also unhappy with the proposed signage and lighting in the car park, which is very small, again One Stop show they do not care at all about the safety of local residents and drivers.

We also have more than enough small and expensive supermarkets in the area.

PLEASE REJECT THIS PLANNING APPLICATION

Yours sincerely,

ALLISON AND ROD WILKINS
