Subject: AW/337/19/A - One-Stop Store: Application for approval of signage (The Ship Inn, Aldwick)

Good afternoon

I wish to object in the strongest possible terms to the above application. On top of the fact that the store is not necessary and is unwanted plus the ridiculous delivery arrangements One Stop want, their signage is quite inappropriate for the area which, as you are aware is very traditional. I also understand that the pub building is registered with Arun as an asset of community value and also considered to be of Special Character: the signage including the panels covering the bay windows will spoil the building and cheapen the area immensely.

Please therefore ensure that **consent is refused**.

Aldwick resident.
