Subject: REGISTER OF OBJECTION TO : AW/337/19/A

Hello,

With regard to the proposed One Stop store signage at the Ship Inn site (AW/337/19/A), please take this email as a formal objection to this development.

Firstly and most importantly, The Ship is a listed building and Arun District Council has already objected to this development as it goes against its own listed building policy. I agree totally with that decision taken by Arun District Council as the signage will be out of character for a building of that age and historical importance.

The road outside The Ship is a busy one and is one of two routes linking Pagham, Rose Green and Aldwick to Bognor Regis. Along with the irresponsible planning consent of the hundreds of new houses in various locations in Pagham this road is going to get busier and busier. I also believe that there are plans for up to 35 deliveries a week to this proposed store using vehicles of various sizes ranging from small vans to large articulated trucks.

The car park signage will encourage people to drive in and out of the parking lot but due to the anticipated number of deliveries mentioned above, the road being narrow and busy there will be a high risk of a serious or fatal accident as vehicles pull in and out.

Please ensure you register my objection to this application. The signs and the shop as a whole, are not wanted in this location.

Paul Whitfield
24 Sefton Avenue, Rose Green, Bognor Regis, Sx. PO21 3BN
