Subject: Objection to AW/337/19/A

We wish to object to the planning application AW/337/19/A.

The signage that is proposed is very garish and totally out of keeping with this historic building and the surrounding residential area.

We understand that the car park will be flood lit at night .We live not far from The Ship and to have constant lighting on during the night will be an invasion of our privacy, changing a quiet,gentle and peaceful area into an alien environment .

We trust that our concerns are taken seriously and that this planning application will be rejected

Sincerely

Colin and Maureen Lord
