You are right! The yellow is really difficult to see...If you could make it another colour that stands out I would appreciate it!

Now it makes sense!!

Thank you,
Daun

Hi Duan,

The plan has three separate tree locations, is it possible that because the font is in yellow you are not able to see it? I will logon and change the answer to the question now.

Kind Regards

Mr Cuffley,

Thank you for your email.

I note that you have put additional information on your planning portal application and note that a new plan has been submitted including a named road.

Question 9 has to do with your relationship to the Authority. The question states 'with respect to the Authority, I am:

- A member of staff
- An elected member
- Related to a member of staff
- Related to an elected member

Do any of these statements apply to you?

The answer is no to this question in this instance. I do note that you have ticked 'yes' and have put that you provide grounds maintenance and vegetation management to Southern Water. Because none of the bullet points above relate to you, you need to tick 'no'

As far as the updated location plan, again, I note that a road name was added, however, on the application form you have indicated that 3 No. trees are to be felled but the location plan only shows the position of 2 No. trees. You will need to show the position of the 3 No. trees on the location plan.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Hi Mrs Johnson,

I have resubmitted the application, I could not find a Q9 to tick no. I have put some road names on the plan, but there was already 3 locations on the plan.

Kind Regards
