Hi Amber

I inspected the trees on site, April 24<sup>th</sup>. Mr Wood was in attendance.

I can confirm that none of the trees detailed in his application would have been in existence at the time area Order Bognor No2 was made.

I therefore recommend we advise Mr Wood that no trees at the above property are included in any Order and that he does not need to consult with us further on the matter.

I saw no trees that would qualify for the making of an individual Order at this time.

Kind regards,

Mark
