Dear Mrs Wood,

Thank you for getting back so quickly.

I can confirm that none of the trees in question on the application are included in any Order and therefore no permission is required for future works.

Thank you
Amber Willard

Dear Mr and Mrs Wood,

Having received comment from the Arboriculturalist after his site visit on the 24th April, he has determined that none of the trees detailed in the application would have been in existence at the time the Area Order Bognor 2 was made.

He therefore advises that no trees at the above property are included in any Order and saw none that would qualify for the making of an individual Order at this time.

As the trees are not protected we would invite you to withdraw the application.

Please would you confirm that you agree to withdraw the application.

Thank you

Amber Willard
