Dear Councillor Bower,

I understand that my colleague Juan Baeza emailed last week in respect of the above application. The application is on behalf of an Arun staff member.

I appreciate that you will be very busy and apologise for chasing this matter, but the application is now overdue a decision and the scheme of delegation requires that you agree the recommendation/decision before it can be issued. I attach a copy of the report for ease of reference.

I would be most grateful if you would advise whether you agree with the recommendation to grant planning permission and that the decision can now be issued. If you require anything further, please let me know

Many thanks,

Ross
