Dear Mrs Glover,

I have just received Arboricultural comments regarding your application for tree surgery at

As it stands, the application is set to be refused as it is believed that the works would undermine the amenity value of the trees.

However, the Tree Officer has made an advisory that would allow you to perform "*2m reduction to Eastern side, 1.5m reduction away from building & 4m Crown Lift on Eastern side to 1No. Oak tree*". Note that the works only relate to **T1**, as the Arboriculturalist does not believe that there are any necessary works to **T2** at this point (except those exempt).

Do you accept the advised works?

Please reply within a 2 weeks.

Yours sincerely,

Z Denton
