Dear Mr Young,

Following on from the phone conversation, Aruns Arboriculturist has emailed me explaining that the tree that has its own application (the Laburnum (covered in the application AW/346/19/T) does not need the application as it is not part of the Tree Preservation Order that is in place. As such his recommendation is that you withdraw the application as you have a second application in for works to trees in a conservation area (AW/347/19/TC). With that said can you confirm via email that you are happy to withdraw the application.

Kind regards,

Finlay Gardner
